Dear Mr. Cutner:

Thank you again for presenting at District Council 37's Outreach Program Luncheon. As you could see from our audience's response, your presentation was very valuable for our volunteers and staff. Your presentation was clear and accessible for everyone to understand. Your charismatic personality and knowledge of the subject matter made the presentation enjoyable and comprehensive.

Thanks again for your excellent presentation and time. We look forward to working with you in the future.

Sincerely,

Priscilla Toral
