Karen Mancuso:

I genuinely appreciate the time you took to diligently assist me with the Christopher Cortes Supplemental Needs Trust fund. Thanks to your perseverance and quality legal skills, my son was awarded the SSI.

I want to also thank the legal team who answered many of my questions, and were supportive to my needs.

Enclosed is a copy of the SSI award letter. Also, attached is a copy of his Social Security Disability award letter, both dated August 2009.

Respectfully,
